1. We are limiting the number of local scrip options to limit the number of people we have contact with. Also, some businesses may not be open/ready for us to pick scrip up. We have included a revised order form with this email. All of the national retailers from Great Lakes are available for order.

****Please include your phone number on your order form in case we need to reach you. Also include the name of the person who will be picking the order up. Please bring an ID when picking your order up.

2. Please be mindful of the businesses you order Scrip for. We can not refund money for businesses that close.

3. Pick up ordered Scrip and/or **yearly rebate/profit check**. ***Even if you do not order during the promotion, if you have "cashback" as your rebate option, please pick your check up at one of the times below. We will not be mailing the checks.
