

Pius Pals is the St. Pius X before and after school care option for school families. The program is designed for SPX families who would like their children to be involved in a program that provides achievement in personal growth and personal values, as well as fun. This is a great opportunity for your child to spend time and make new friends in a Christ-centered atmosphere!

Pius Pals is open before school from 7:00am – 7:50am and after school from 3:00pm – 6:00pm while school is in session. Pius Pals is also open from noon – 6:00pm on scheduled early dismissal days, and 7:00am – 6:00pm on professional development days and breaks.

Students are provided a snack at Pius Pals, which will be previously planned out and readily available for you to see. Pius Pals follows the CACFP and DHS program guidelines. Pius Pals will provide rotations for students that include homework/reading time, outside/gym time and a daily craft. On days when there is no school, we go on field trips or have other fun activities planned.

Needless to say, Pius Pals is the place to be before &/or after school!
