

Dear Families,

Attached is a letter from Superintendent Donna Bishop regarding the extended school closure that was announced yesterday.

Thank you to all of you who have sent words of support and encouragement during this time. All of us at St.Pius X School want you to know that your kind words, along with your prayers for our community, are deeply appreciated.

In the coming weeks, we will continue to provide high quality distance learning options for your children. The faculty meet as a whole group and in small grade level teams weekly to collaborate and plan how we can best support your family. We are learning and growing alongside you and your children as we navigate the world of online education. Our promise to you is to keep growing, to dedicate ourselves to continual improvement and to keep partnering with you at home.

We encourage you to reach out to us. Please contact your teachers and your administrators to let us know what's working at home and how we can support you. Your feedback helps us grow and improve our service to your family.

This weekend marks the beginning of Holy Week. Please take some time to join as a family in prayer. The schedule of parish events can be found [here](#). Taking time to mark this most holy time in our Church will strengthen our faith and keep us grounded in God's love and mercy.

Thank you,

Mary Jo Kever
Principal

Alex Baransosky
Assistant Principal
